## REASONS FOR ALLOWANCE

### *Election/Restrictions*

1. Claims 40-42 are allowable. The restriction requirement between Invention I, directed to Claims 1-3, 5-23 and 39, and Invention II, directed to Claims 40-42, as set forth in the Office action mailed on 4/6/06, has been reconsidered in view of the allowability of claims to the elected invention pursuant to MPEP § 821.04(a). **The restriction requirement is hereby withdrawn as to any claim that requires all the limitations of an allowable claim.** Claims 40-42, directed to “a rack with an indicator connected to a controller that indicates items picked” are no longer withdrawn from consideration because the claim(s) require(s) all the limitations of an allowable claim.

2. In view of the above noted withdrawal of the restriction requirement, applicant is advised that if any claim presented in a continuation or divisional application is anticipated by, or includes all the limitations of, a claim that is allowable in the present application, such claim may be subject to provisional statutory and/or nonstatutory double patenting rejections over the claims of the instant application.

Once a restriction requirement is withdrawn, the provisions of 35 U.S.C. 121 are no longer applicable. See *In re Ziegler*, 443 F.2d 1211, 1215, 170 USPQ 129, 131-32 (CCPA 1971). See also MPEP § 804.01.

### *Statement of Reasons for Allowance*

3. The following is an examiner's statement of reasons for allowance.

Pursuant to the Decision rendered by the Board of Patent Appeals and Interferences, dated 1/27/11, Appellant's amended Claims, filed 2/8/11, in which Independent Claims 1, 15 and 39 were amended to include the limitations of a "bin" with an "open top" and an "open front", similar to Independent Claim 43, is allowed. As noted above, Dependent Claims 40-42, previously identified as withdrawn, have been re-joined, and are also allowable.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."

4. Any inquiry concerning this communication or earlier communications from the examiner should be directed to JEFFREY A. SHAPIRO whose telephone number is (571)272-6943. The examiner can normally be reached on Monday-Friday, 9:00 AM-5:00 PM.

If attempts to reach the examiner by telephone are unsuccessful, the examiner's supervisor, Stefanos Karmis can be reached on (571)272-6744. The fax phone number for the organization where this application or proceeding is assigned is 571-273-8300.
